A man with blonde hair, wearing a white tank top and sunglasses, is reclining on a modern outdoor sofa. The sofa has white cushions and a dark, textured base. He is holding a small glass in his right hand. The setting is a terrace overlooking a vast blue sea under a clear sky. In the distance, a small sailboat is visible on the water, and a sandy beach with dunes is on the horizon. A low, dark coffee table is in the foreground, and the ground is paved with light-colored tiles.

Outdoor Furniture

It is our passion to make people forget their daily stress while relaxing in one of our many exclusive pieces of design Outdoor Furniture garden furniture. Every piece is a blend of quality, simplicity and modern elegance. Our extensive range of modern outdoor furniture, but also parasols and outdoor accessories, will transform every terrace into a place where you can have an pleasant time with family and friends. The Outdoor Collection consists of The finest classic and premium Teak, Synthetic rattan and different varieties of recycled or reclaimed materials.

Synthetic Rattan Furniture

Synthetic rattan furniture is made from made fibre which is much sturdier and more durable than the real thing. The fibres are woven in the same way as real rattan but are often coated with UV additives that can prevent fading and wear.

Outdoor furniture sets made from synthetic rattan have proved increasingly popular over the past decade for various reasons, not least their sheer resistance to outdoor elements, including both moisture and UV light. Such furniture remains beautiful and durable even when left out in harsh conditions and is very easy to care for in general, only requiring routine cleaning and not needing to be

A high-angle photograph of a man with long, wavy brown hair and a beard, wearing a light blue ribbed cardigan over a white shirt and blue jeans, lying on a modern teak lounge chair. The chair is made of horizontal teak slats and has a dark metal frame. The background is a light-colored, textured stone or concrete surface. The overall mood is relaxed and sophisticated.

Teak Furniture

Our timber collection offers a full range of furniture in sustainability scoured woods. The premium hardwood range is made from legal teak, one of the world's strongest and most durable woods.

A woman is relaxing on a modern outdoor lounge chair by a swimming pool. The furniture is made of a light-colored, textured material, likely the 'Rope' collection mentioned in the text. The scene is set in a sunny outdoor environment with a stone wall and tall grass in the background.

Rope Collection

Rope is durable, innovative and strong material to use for the weaving of indoor and outdoor furniture. It is stylish, unique and has a soft touch, creating comfortable seating and stunning looks. Rope is made of thermoplastic polypropylene (PP) fibers and has been developed to meet all standard requirements for outdoor furniture. It is engineered to ensure extreme outdoor conditions such as sunlight UV exposure, extreme temperature variances, mold and

The background image shows a workshop or studio environment with a concrete wall and floor. Several table tops and stools are displayed. On the left, there is a stool with a bright orange top and a black frame, and a square table top with a dark, patterned surface. In the center, a tall, black wire mesh stool with a round wooden top stands next to a round wooden table top on a tripod stand. In the foreground, a square table top with a light-colored, patterned surface is visible. On the right, a white rectangular table top is partially shown. A semi-transparent grey box on the right side of the image contains the title and descriptive text.

Table Top

Table tops come in a variety of shapes, sizes and materials but are usually determined by their efficiency and flexibility. Table tops are designed in a lightweight and motionless manner, and are most common in projects and can be easily transported and arranged by customers and employees.
